

# Brownie STEM Career Exploration Badge

with

Find out how all the things you like to do, can become a job that changes the world. Then, do some research and create a plan to turn your dreams into a reality!

In earning this badge, you will discover that your hobbies can become a part of a future career. Through these activities, you will discover how the things you are interested in can be used in the field of Science, Technology, Engineering, and Math (STEM) and how STEM careers can help others and this planet.

## STEP 1

Explore your interests by going on the Nakira's World website and looking at our characters' card introductions. See if you have the same interests and more!

**STEP 3** Learn about the day-to-day things with Nakira. Nakira is curious and loves to explore the world around her and how STEM is in everything!

Watch these 2 videos on Nakira's World YouTube channel and see how her interests and day-to-day things allow her to dream what she wants to be in the future:

When I Grow Up

**STEP 4** Brainstorm your next steps by finding out what you like to do and looking up on google "What career can I take if I like to \_\_\_\_\_" (for example: paint, play sports, do music, build things)

Or Learn more about a STEM career by looking up any of the careers mentioned in the activity worksheet. Perhaps you want to be in any of those?

## STEP 5 - SHARE

Share your goals by telling us about it! Let us know what your goals are based on what you have learned from Nakira's World characters and the research you've done based on your interests.

What you need to do:

Take a video of yourself or your troop saying

"When I grow up, I want to be a \_\_\_\_\_ (career) like  
\_\_\_\_\_ (name of one of our characters)"

OR

"My interests are \_\_\_\_\_ and I learned that I can be a  
\_\_\_\_\_ (your goals)"

OR

Answer the questions by drawing a picture or comic strip of your future career!

Before having your guardian or troop leader upload your drawing or video, have them fill out the form.
